

**Three Wire Winter Staff 1980-81**

## **Letter from the Editor: Tara Grillo**

Three Wire Winter has once again finished another fantastic magazine. We hope you will find many interesting stories in this issue. We have been very busy this year with the production of three magazines and training other projects. We still have more events to come.

This spring three students, Richard Gilbert, Lisa Harley and Gloraine Lewis, and two sponsors, Tanna Brock and Bill McKelvie, took a trip to Denver for a presentation at Denver University. They gave a slide presentation for librarians across the United States. They also manned a booth to sell magazines and subscriptions. All went very well.

Another time this spring Mari Jo Hoaglund went to visit Pueblo to help with training for a new project there. We were also privileged to play host for Kevin Ericksen from Aspenglow. Aspenglow produces a magazine in Littleton done primarily by handicapped students about

handicapped people. We will also host other students and teachers from different projects this year.

On May 22nd we are having our annual barbeque. This year it is special because we are doing this barbeque with the Trans Alaska Seafood Company. Along with our good barbequed food we are having delicious salmon steaks and fun time for all the community.

We want to encourage our readers to participate in this magazine project. Everyone is invited to our barbeque. All contributions and letters welcome.

Please write us. **Three Wire Winter, P.O. Box 770664, Steamboat Springs, CO 80477**

Sincerely,  
Tara Grillo,
